

ACT! Add-on Offers – Deals for Platinum CARE Subscribers

SwiftPage

Swiftpage is my favorite add-on for ACT!. If you want to do e-mail or other types of drip marketing... this is your tool.

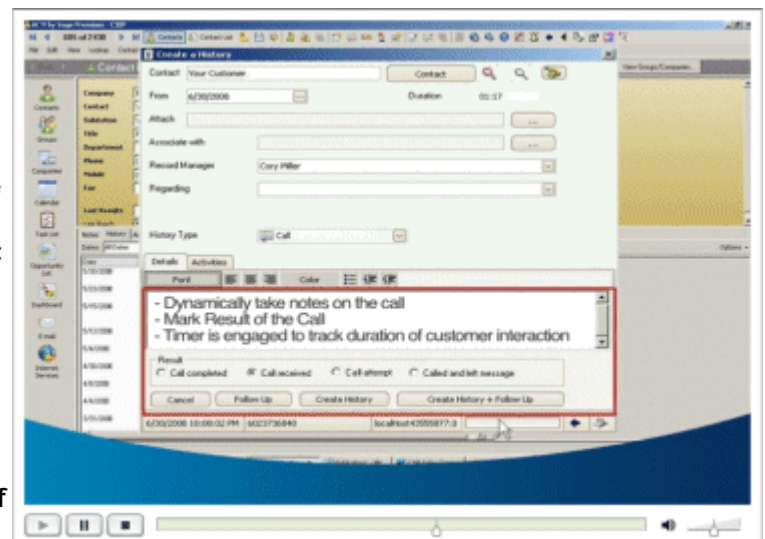

- ✓ Swiftpage Team - **12 months service for the price of 9** – 1,000 e-mails per day send limit, 2 users on the account
- ✓ Bonus – 25% off Gold or Platinum Swiftpage Drip Marketing for 12 months (requires 12 month commitment)
- ✓ See how it [works](#).

VoIP for ACT!

Sage Software has negotiated a special offer on Voice over IP for ACT! from C3IP Communications.

- ✓ This new solution enables automatic screen pops from your database records based on Caller ID; complete call history automatically embedded into each ACT! database record; note taking for each call; "Click to Dial" contacts directly from ACT! database; storage of voicemails in ACT! contact's history; voice mail receipt via e-mail; and 4-digit extension dialing.
- ✓ See how it [works](#) (very cool).
- ✓ **12 months service for the price of 9** – subscribers get 25% off monthly service with a 12 month commitment.

- ✓ With the initial purchase, C3IP agrees to waive the integration module fees. This is the ACT! add-on software normally sold for \$129. C3IP will waive all initial purchase fees software regardless of quantity. For example, if a 5 seats of service are initially purchased, C3IP will waive what would have been a fee of \$645 (\$129 x 5 copies)
- ✓ For subsequent additional seat orders from APC customers, the VoIP for ACT! integration module will be available for \$99 per user (normally \$129).
